

Amendments to the Specification:

Please replace the last full paragraph on page 15 with the following amended paragraph:

[[Fig.]] Figs. 9A, 9B and 9C are is a schematic drawing drawings showing structural examples where river water immersion blocks are laid or built on artificial structural parts or artificial riverbeds, such as a fish way. Fig. 9A shows an example wherein block materials are fixedly laid on a fish way of an oblique road system. Fig. 9B depicts an example wherein massive blocks are non-fixedly disposed on the bottom of steps of a fish way. Fig. 9C shows an example wherein massive blocks are fixedly laid on the artificial structural part or an artificial river bed, other than a fish way.
